# Avignon Module

With the add-ons of a Chaise lounge, End part, Corner Module and Divan, the Avignon Module sofa add an innovative dimension to our proven classic. In addition, new armrests Lucca, Ella and Noah, complement Avignon's much appreciated good looks and offer the sofa different styles.

*Avignon 3-seater in Catania dark blue with Lucca armrest.*

*Avignon 3-seater in Marsel beige with Ella armrest.*

*Avignon 2,5-seater in Western dark brown with Ella armrest.*

Lucca is a straight armrest that has been generously padded to give it a rounded and soft feel on the inside of the sofa – almost like a cushion. Ella adds a curve on the top of the armrest to form a contemporary style and presence, and Noah creates more of a retro feel to the sofa system.

# Orca

The designer describes how organic shapes found in nature strongly influenced the design of our sofa, Orca. Its smaller back cushions enhance the elegance of the curving higher back, and the comfort is designed more towards sitting up than to lounge about. A special 45-degree module adds a curved chaise lounge. The thick piping on the rounded armrest continues along the back of the sofa, underscoring the elegantly flowing lines characteristic of the design.
