

Direction for use

Guardian Poly Wash

Guardian Poly Wash for the care and maintenance of furniture made from Polyrattan and similar material.

Guardian Poly Wash contains cleansing soap and nourishing wax.

Pour 0.2 ltr. of Guardian Poly Wash into a bucket with 5 ltr. of warm water, wash furniture with a soft brush or sponge.

Allow the soap to soak for approx. 2 min. enabling the wax to penetrate and protect the furniture, then wash/rinse off the excess soap with water.

Wash furniture 3-4 times a season, to prevent dirt, algae, impurities and suchlike from adhering to, and hence degrading or damaging the material.

Shake before use.

Keep out of the reach of children.

Always test the product on a piece that is not visible before use.

We hope you enjoy using Guardian Poly Wash!
